Treasurer's Report

MM acct \$29962.29 Chkg \$3941.87

Steve is here to try to help facilitate a good working relationship with the RR. How do we get them, (the RR) involved in wanting to keep people safe? He basically has no authority to make the RR do anything.

Bill: A contract was signed for the surveyor to do a study on an aerial easement. Bill will also be giving a briefing to the town council about our project. Jeff wants to know if we can get someone in to get the dirt in the right place and then compact it. We are looking to put out an RFP for a time and materials bid. We are still waiting for the RR to approve or reject our latest plans that were submitted.

GOCO update: Kathy says they will send us about \$78,000 very soon.

Monitoring the Lake. Kathy says that the town will allow a volunteer to monitor the lake. Linda will be the one to do this. Steve Orcutt says we can use any equipment we need.

Council meeting tomorrow; Bill will attend to show plans. So will Darin, and Cindy.

Baseball Field: Turf proposal \$389,463.56

Art Pedestals: Still being discussed regarding who will put them up and where they will be. We have about 19 pcs ready for showing.

Website: Darin updated this and FB with a boost for the Fireworks committee.

Haunted Mines: Their 10 year lease has ended, and the haunted mines people want to bring their wares to PL. The wares, being a 2500 square foot tent called Scare Fest. The bad side is that they have had to pay a lot of money in court fees and they have no money to bring the project to PL. They will not commit to give us a percentage because they don't know what they'll make. Jeff has asked for 25%.

Benches and Light Poles

Fireworks: we're on unless the weather doesn't cooperate.

Glow Run: 5/13 7:30 About 200 expected so far.

Hooked on PL: June 3 right after the fishing derby from 11-3. Lots of fun things, bands, arts, whack a car. This is to raise money for the lake. Sara sausage is donating food.
