RR bridge status-RFQ's came in and went out. Bid packet is out. 6 RFQ's, all qualified. RFP's will go out to determine price. Bridge will take 5 months to build. May be able to drop the span in October.

Dirt- Picker is moving dirt.

Linda- Water is pretty much the same as last month. Lake lost an inch and a quarter. No snow and no rain have hurt, but doing fairly well

Despite this. Jeff has a call into Jesse Newbury to relocate one of the wells. Linda wants the town to share if water is released into

The lake. Chris and Doug are going to get together to build a gauge to measure water that's in the lake.

Jeff- Boot Scootin Boogie and BBQ-April 14th, 6pm. Rich Martin will do the BBQ and Jeff will provide the product. Fire restriction might

Be lifted in time. \$20 for meals and we have applied for a liquor license and it should be approved. Jeff wants to get liability for this

And Rockies tickets for June m25th. Posters will be up around town. Will block off 170' and 200' marks with orange snow fence.

New Counsel Members

Jeff- Ins for fireworks and other events- Went to counsel and told them about the event. They will co sponsor the events so we're covered.

Cindy-Fireworks doesn't have much. There is a meeting tomorrow. They were working with 3 companies but it quickly went down to 2 be

Of price. The committee is split. The guy who did the fireworks last year is one of them and he has promised that he will not use the

Same company as last year. Hooked on Palmer Lake May June 2 after the fishing derby, Glow run May 12th.

John- Will redesign the course when the dirt is moved. Wants to do a disc golf fund raiser. Jeff and Jane talked to the county about using

More county space for disc golf and they said no because of a conservation easement issue. Jeff and Chris says this is not true but

They might try to convince them otherwise.

Reed- Grant idea for the south portion of the lake. Nike has a reuse shoes, grind them up and use them for parking lots etc. He needs town

Information and he will be happy to go after it.
